Still Growing

Great things are happening in your ministry!

It is YOUR ministry, because we are supported by the prayers and financial support of our partners.

In the last few weeks we have seen over 70 accept Christ in services in the prison and almost 50 on the outside. Many more have committed to involvement in service to our Lord and Savior.

New chapters of **HonorBound Motorcycle Ministry** are being established in churches as awareness of the Official National Motorcycle Ministry of the Assemblies of God. What is even more amazing is the men and women that are getting into a committed relationship with a local assembly and coming under the covering of that church's pastor and elders.

PRAYER REQUEST: Duane has been invited to speak to the leaders of motorcycle ministries from across the nation at the Christian Unity Coalition during the **National Coalition of Motorcyclist (NCOM)** annual meeting in Reno, Nevada. NCOM is the meeting where all the leadership of the major non-Christian motorcycle clubs in the United States come together. This will be on May 8, 2009. Please pray. He has been asked to speak about the importance of their members being accountable and faithful to a local church. It will be followed by a 30 minute question and answer panel discussion. Pray for wisdom in the right things to say.

The articles and testimonies for the **Book of Hope – Road Edition** are in the hands of One Hope and we are down to getting the graphics completed. This will be a great tool for all of us to use in evangelism in the biker culture across the nation.

Duane will be riding the **Run For The Wall** from LA, California to Washington, DC May 13 – 24. This year he will ride in honor of his friend and Vietnam Veteran, **George Striegler**. George, who they called "Hoss", served with the Navy Seabees MCB 121 during 1967, 1968, and 1969. He is a member of 1st A/G in McCamey, Texas
